WDGE 12 September 1956

MEMORANDUM FOR THE RECORD

SUBJECT: ARDC Commanders' Conference on 21 September and Meeting of Guided Missile and Space Vehicle Committee on 20 September

1. I contacted Colonel J. T. Winstead, Executive to General Power, and gave him information as to dates of arrival and personnel we will have attending the two meetings in Cleveland as follows:

NAME	RESERVATIONS	ARRIVAL TIMES
SCHRIEVER, Maj Gen B. A.	Night of the 20th only	1025 hours, 20 Sep Capital Flt #134
ELY, Colonel L. D.	Nights of 19th & 20th	19 September
SWANKE, Lt Colonel E. A.	"	"

(Ely and Swanke attending Space Committee Meeting only.)

LODELL, Lt Colonel E. J.	Nights of 20th & 21st	1940 hours, 20 Sep
HUGHES, Lt Colonel G. E.	"	"

(Lodell and Hughes attending Commanders' Conference only.)

2. The Guided Missile and Space Vehicle Committee will meet at 1330 on 20 September at the Lewis Flight Propulsion Laboratory, Cleveland. Agenda for this meeting is as follows:

1330-1430 Discussion of material to be furnished by WDD on a 10 - 20 year development forecast.

1430-1530 Discussion of material to be furnished by AFMTC on facilities requirements (collation of comments on Holmes & Narver Report.)

1530-1630 Discussion of material on management problems--to be furnished by Generals Schriever and Davis.

1630-1730 Discussion of Hollomon build-up and future plans of the Guided Missile and Space Vehicle Committee.

3. The Commanders' Conference will be held at Lewis Flight Propulsion Laboratory on 21 September, and, as in the case of those conferences held at the major commands, the morning will consist of a briefing

by the host, the Lewis Laboratory, with the afternoon being devoted to ARDC business. Scheduled for discussion as the principal subject for the afternoon session is the FY 57 Program financial status and related problems.

4. Lewis Flight Propulsion Laboratory is located on the west edge of the Municipal Airport. Lewis Flight Propulsion Laboratory will make the necessary hotel reservations. Conferees arriving in Cleveland may obtain information on their reservations by calling Mr. Willson Hunter, Assistant to Dr. Sharp, Director of NACA Flight Propulsion Laboratory, WInton 1-6620, Ext 14, or Lt Colonel Leslie C. Pattillo, Air Force Field Development Representative, CHchard 1-1211. There will be an informal "Dutch Treat" dinner scheduled on the evening of 20 September for conferees.
